

Nursery School Tours Fire Station in Torrance

PULL THAT BELL—Charles Rentsma, engineer acting captain, rings the bell for Neil McIntyre and Michael Booth. Boys and girls had a big thrill when they toured the fire station along with a few mothers and their teachers from the Torrance Cooperative Nursery.

LOOK AT ME—Todd Spencer (left) and Billy Campbell wave from the ladders on a fire truck during the tour which the children of the Torrance Cooperative Nursery School

Children and mothers of the Torrance Cooperative Nursery School were thrilled by a fascinating tour of the Crenshaw and Carson Fire Station.

The nursery school, located at 3558 W. 162nd St., is sponsored by the Torrance Adult Education, Torrance Unified School District.

Applications are being accepted now by calling Mrs. William Thompson, FA 1-2913 or Mrs. Al McIntyre, FR 1-3467.

CAUSE OF LOVE

The cause of love is an "I don't know what"—so small an object that we cannot recognize it... Had Cleopatra's nose been shorter, the whole history of the world would have been different.

—BLAISE PASCAL (1623-62) French philosopher

CLEOPATRA'S BEAUTY

Age cannot wither her, nor custom stale Her infinite variety; other women cloy

The appetites they feed, but she makes hungry Where most she satisfies.

—SHAKESPEARE

GUERNSEY, JERSEY

The Guernsey and Jersey are the next most popular breeds. They produce less milk than the Holstein although their butterfat is higher.

HOLSTEIN

The Holstein is the most popular and produces most milk but their butterfat content is lower than some of the other breeds.

Council Fire Date Is Set by Campfire Girls

Camp Fire Girls, Blue Birds (Junior Camp Fire Girls), and Horizon Club girls (senior Camp Fire girls) will convene at Torrance Park baseball diamond Friday, May 26, at 7:30 p.m. to conduct their annual Council Fire for the Harbor District of the Los Angeles Council of the National Camp Fire Girls' organization for the public presentation of ranks and honors earned by individual girls and groups during the past year, including the Shining Suns (Blue Birds), Ka Pa Princesses (Camp Fire Girls) and Sweet Teens (Horizon Club members) candy sale award recipients.

This annual event will spotlight this year's theme, "Stepping Along Through the Next 50 Years with Camp Fire" (having just celebrated our First 50 Years of Service to girls in 1960), which will attempt to depict the desires and works of each girl as she strives for the highest honor on the symbolic totem pole of Camp Fire goals of the Seven Crafts: starting with Home, and continuing on through Outdoors, Creative Arts, Frontiers, Business, Sports and Games, with Citizenship at the top, just under the crowning experience of Faith, which is considered the sum total of the Seven Crafts. The ranks and honors awarded to the girls are all attained by achievements within the Seven Crafts of Camp Fire with the goal of good citizenship climaxing their Camp Fire, and their life's experience.

Adult leaders, district committee members and area staff workers will be serving on the program headed by Dee Manning, program chairman of Camp Fire Girls Harbor District committee, who will be mistress of ceremonies for the evening affair.

Local city and youth organization members will be in attendance, also, Camp Fire officials from the L.A. Area Council. The public and interested parents are especially invited to join the group at this year's event.

EMPIRE OF THE SEA

The empire of the sea has always given those who enjoy it a natural pride because, thinking themselves capable of extending their insults wherever they please, they imagine that their power is boundless as the ocean.

—Charles de Montesquieu (1689-1755) French philosopher

SEAMANSHIP

It must be kept in mind that seaships, just like anything else, is a matter of art and will not admit of being taken up occasionally as an occupation for times of leisure. On the contrary, it is so exacting as to leave leisure for nothing else.

—Thucydides (c. 350-c. 400 B.C.) Greek historian

MILKING COW

Normally a milking cow will drink between 15 and 30 gallons of water daily.

LET'S GO—Deana Stanich, Torrance Cooperative Nursery student, is anxious to "take off" for a ride as she stands on the fire engine during the tour the children recently took of the Fire Station.

School Menu

Torrance elementary school menus next week (May 22-26) will include hot dogs, Salisbury steak, baked beef, grilled cheese sandwiches, and the favorite menu of students at each school.

Elementary school lunches, including milk, cost 30 cents. Extra bottles of milk are four cents, while ice cream bars are six cents. Next week's menus include:

Monday — Hot dog on bun, hash brown potatoes, pineapple cottage cheese salad, caramel date pudding, milk.

Tuesday — Salisbury steak, whipped potatoes tossed green salad, citrus fruit cup, bread, butter, milk.

Wednesday — Baked beef gravy, mixed vegetables, tomato and lettuce salad, cottage cheese, chocolate pudding and bananas, biscuits, milk.

Thursday — Students' Choice.

Friday — Grilled cheese sandwich, potatoes salad, tomato wedge and olives, ice cream slice, milk.
